**St. Paul's United Church (SPUC) is a vibrant church, located at 65 Kings Crescent Ajax, that has been actively participating in the life of the local community since 1950.** First starting out as a small group meeting in a wartime portable, SPUC now has close to 100 members in its congregation, all of whom enjoy working, sharing and growing together.

With something for everyone, we hope you'll take some time to learn more about us. As a supportive and welcoming community, we offer music, fellowship, friendship and faith. The church building is wheelchair accessible and we provide real time closed captioning for the hearing challenged. Parking is free and you can also get to us via Durham Region Transit.

**In July and August, join us in person at 10:30 a.m. for our Sunday Worship Services, held jointly with St. Timothy's Presbyterian Church. From September to June, join us in person or online (via Zoom) at 9:30 a.m. every Sunday.**
